

Light Up Crafton!!

Each year the Crafton Elves brighten up Crafton Borough with a beautiful display of holiday lights.

The Crafton Elves have a goal this season to supply 5,000 to 7,000 LED lights to make the Borough merry and bright!

This all volunteer organization operates on a small budget each year. The Crafton Elves are asking residents to help keep Crafton shining during the holiday season.

Please consider making a donation to “Light Up Crafton”. Any monetary donation will be greatly appreciated. A suggested donation amount of \$20.00, from each household, will make our goal achievable!! Business sponsorships available! Contact the Elves Headquarters at 412-921-0752 x 10 for more information.

Cash donations can be dropped off at the Borough Administration Office, M-F 8:30 AM to 4:30 PM or checks may be mailed to Crafton Borough, Attn: Light Up Crafton, 100 Stotz Avenue, Pittsburgh, PA 15205. Donations received by October 23, 2018 will go directly to the 2018 Holiday Season.
