

2018 Collection Schedule

Your trash and recycling collection day will not change in 2018. Please visit your municipality's website or contact Waste Management if you need to verify your collection day. Recycling collection will occur every other week and will begin during the week of January 2, 2018.

■ Observed Holidays ■ Recycling Collection Week

IMPORTANT INFORMATION INSIDE

about your residential trash and recycling service

Printed on post-consumer recycled paper.

Solid Waste & Recycling Collection Guide

THINK GREEN®

Dear Resident:

Waste Management is excited to continue trash and recycling services in your community in 2018. We will continue to provide weekly trash service along with every other week automated single-stream recycling collection services. Recycling benefits your community as it not only conserves natural resources, but it also helps reduce the amount of materials sent to the landfill. Plus, with single-stream recycling, all your recyclables can now go into one container – no more sorting of materials.

We look forward to helping your community be as clean – and green – as possible throughout 2018 and beyond.

Collection Times:

Your collection day will not change in 2018. All items must be placed at the curb no later than 6 a.m. on the day of collection. After collection, any carts used for trash or recycling should be removed no later than the evening of your collection day.

Missed Collections and Additional Information

Despite our best efforts, we occasionally miss scheduled collections. If we do, please call us at (800) 866-4460 as soon as you can. Our representatives will work with you to ensure that your materials get picked up. You can also visit us at www.wm.com for live chat and email options.

Inclement Weather

Severe winter weather can be a challenge to our daily operations. At times, we find ourselves juggling to keep the safety of our employees at the forefront, while continuing to provide our customers with the timely service you deserve.

Every decision that we make is for the safety of the community, its residents and our employees. During periods of heavy snow, ice and freezing temperatures, we must make the tough decision to suspend operations until conditions improve for us to recover.

During periods of inclement weather, our team will be providing customers with real time service alert updates at www.wm.com– we recommend book marking this site for easy accessibility. When possible, we may also notify you by phone or email if your collection route is cancelled or will be delayed.

THINK GREEN.®

At Your DoorSM Special Collection

To dispose of home-generated special materials and schedule a collection at your home, contact us in one of these three ways:

- Go to WMATYOURDOOR.COM
- Call (800) 449-7587 - We're available 7 a.m. - 7 p.m. CST M-F.
- Email ATYOURDOOR@WM.COM

Waste Management will offer convenient service in your community for residents to properly dispose and recycle home-generated special materials- safely, easily, and responsibly. These items may include paints, household cleaners, compact fluorescent lamps (CFL), automotive products, garden chemicals, batteries, electronics, and more.

The materials accepted through this program include:

Automotive Products

Antifreeze, batteries, brake fluid, motor oil and filters, fuels, and more.

Garden Chemicals

Fertilizers, insect sprays, herbicides, pesticides, and weed killers.

Paint Products

Paint, caulk, glue, stain, stripper, thinner, and wood preservative.

Household Cleaners

Ammonia, heavy-duty cleaner, rust remover, tile/shower cleaner, upholstery cleaner, and more.

Electronics

Computers, monitors, keyboards, MP3 players, televisions, DVD/CD players, tape players, VCR, cell phones, desktop printers, fax machines, and microwaves.

Mercury containing items

Batteries, compact fluorescent lamps, fluorescent tubes, thermometers, and thermostats.

Sharps, needles, and lancets

Must be placed in a sealed, rigid, puncture resistant container.

We do not collect ammunition, explosives, asbestos, tires, or any materials in unlabeled or leaking containers. For program details, contact (800) 449-7587.

RECYCLE OFTEN.
RECYCLE RIGHT.™

Great things happen when residents use **Recycle Often. Recycle Right.™** program. By recycling everyday items like those shown below, raw materials, time, energy and money are saved. Plus the recycled materials become new products – if you recycle an aluminum can today, it could be back on the shelf as a new one in 60 days – and the cycle continues.

- Recycling will be collected every-other-week. Place only the acceptable recyclables shown below together in your recycling cart or bin – no sorting needed.
- Containers that held food should be rinsed free of food debris and liquid.
- Do not bag your recyclables – empty recycling directly into your bin or cart.

Acceptable materials for curbside recycling include:

Always recycle:

Plastic Bottles & Containers

Food & Beverage Cans

Paper

Flattened Cardboard & Paperboard

Food & Beverage Cartons

Glass Bottles & Containers

Do NOT include in your mixed recycling cart:

NO Food Waste
(Compost instead!)

NO Plastic Bags & Film
(Find a recycling site at plasticfilmrecycling.org)

NO Foam Cups & Containers
(Check Earth911.org for options.)

NO Bagged Recyclables

NO Needles
(Keep medical waste out of recycling. Place in safe disposal containers like Waste Management's MedWaste Tracker® box.)
