

## Heroin & Opiate

# COMMUNITY AWARENESS TOWN HALLS

Heroin and opioid-related overdoses are the leading causes of accidental deaths, killing more Pennsylvanians than traffic accidents. Allegheny County had 422 accidental overdoses in 2015 alone! The overdose epidemic crosses all social, geographic and political lines, killing seven Pennsylvanians every day.

Rep. Dan Deasy and Sen. Wayne Fontana are hosting two Community Awareness Town Hall meetings to discuss ways to combat this epidemic.
